INFORMATION CIRCULAR
as of October 11, 2018 (unless otherwise noted)

MANAGEMENT SOLICITATION OF PROXIES

This Information Circular is furnished to you in connection with the solicitation of proxies by management of Kutcho Copper Corp. (“we”, “us”, the “Company” or “Kutcho Copper”) for use at the Annual and Special Meeting (the “Meeting”) of shareholders of the Company to be held on Thursday November 15, 2018, at 2 p.m. at the offices of Miller Thomson LLP located at 400 – 725 Granville Street, Vancouver, B.C., V7Y 1G5, and at any adjournment of the Meeting. The Company will conduct its solicitation by mail and our officers, directors and employees may, without receiving special compensation, contact shareholders by telephone, electronic means or other personal contact. We will not specifically engage employees or soliciting agents to solicit proxies. We do not reimburse shareholders, nominees or agents (including brokers holding shares on behalf of clients) for their costs of obtaining authorization from their principals to sign forms of proxy. We will pay the expenses of this solicitation.

APPOINTMENT OF PROXY HOLDER

The persons named as **proxy holders** in the enclosed form of proxy are the Company’s directors or officers. **As a shareholder, you have the right to appoint a person (who need not be a shareholder) in place of the persons named in the form of proxy to attend and act on your behalf at the Meeting. To exercise this right, you must either insert the name of your representative in the blank space provided in the form of proxy and strike out the other names or complete and deliver another appropriate form of proxy.**

A proxy will not be valid unless it is dated and signed by you or your attorney duly authorized in writing or, if you are a corporation, by an authorized director, officer, or attorney of the corporation.

VOTING BY PROXY

The persons named in the accompanying form of proxy will vote or withhold from voting the shares represented by the proxy in accordance with your instructions, provided your instructions are clear. If you have specified a choice on any matter to be acted on at the Meeting, your shares will be voted or withheld from voting accordingly. If you do not specify a choice or where you specify both choices for any matter to be acted on, your shares will be voted in favour of all matters.

The enclosed form of proxy gives the persons named as proxy holders discretionary authority regarding amendments or variations to matters identified in the Notice of Meeting and any other matter that may properly come before the Meeting. As of the date of this Information Circular, our management is not aware of any such amendment, variation or other matter proposed or likely to come before the Meeting. However, if any amendment, variation or other matter properly comes before the Meeting, the persons

named in the form of proxy intend to vote on such other business in accordance with their judgement.

You may indicate the manner in which the persons named in the enclosed proxy are to vote on any matter by marking an "X" in the appropriate space. If you wish to give the persons named in the proxy a discretionary authority on any matter described in the proxy, then you should leave the space blank. **In that case, the proxy holders nominated by management will vote the shares represented by your proxy in accordance with their judgment.**

RETURN OF PROXY

You must deliver the completed form of proxy to the office of the Company's registrar and transfer agent, Computershare Investor Services Inc., Proxy Dept., 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1, FACSIMILE (within North America) 1-866-249-7775 (outside North America) (416) 263-9524, by fax, hand or by mail or to the Company's head office at the address listed on the cover page of this Information Circular, not less than 48 hours (excluding Saturdays, Sundays, and holidays) before the scheduled time of the Meeting or any adjournment.

ADVICE TO NON-REGISTERED SHAREHOLDERS

Only shareholders whose names appear on our records or validly appointed proxy holders are permitted to vote at the Meeting. Most of our shareholders are "non-registered" shareholders because their shares are registered in the name of a nominee, such as a brokerage firm, bank, trust company, trustee or administrator of a self-administered RRSP, RRIF, RESP or similar plan or a clearing agency such as CDS Clearing and Depository Services Inc. (a "**Nominee**"). If you purchased your shares through a broker, you are likely a non-registered shareholder.

Non-registered holders who have not objected to their Nominee disclosing certain ownership information about themselves to us are referred to as "NOBOs". Those non-registered Holders who have objected to their Nominee disclosing ownership information about themselves to us are referred to as "OBOs".

In accordance with the securities regulatory policy, we will have distributed copies of the Meeting Materials, being the Notice of Meeting, this Information Circular, and the form of proxy directly to NOBOs and to the Nominees for onward distribution to OBOs. **The Company does not intend to pay for a Nominee to deliver to OBOs, therefore an OBO will not receive the materials unless the OBO's Nominee assumes the costs of delivery.**

Nominees are required to forward the Meeting materials to each OBO unless the OBO has waived the right to receive them. Shares held by Nominees can only be voted in accordance with the instructions of the non-registered shareholder. Meeting Materials sent to non-registered holders who have not waived the right to receive Meeting Materials are accompanied by a request for voting instructions (a "VIF"). This form is instead of a proxy. By returning the VIF in accordance with the instructions noted on it, a non-registered holder is able to instruct the registered shareholder (or Nominee) how to vote on behalf of the non-registered shareholder. VIF's, whether provided by the Company or by a Nominee, should be completed and returned in accordance with the specific instructions noted on the VIF.

In either case, the purpose of this procedure is to permit non-registered holders to direct the voting of the Shares which they beneficially own. **Should a non-registered holder who receives a VIF wish to attend the Meeting or have someone else attend on his/her behalf, the non-registered holder may request (in writing) to the Company or its Nominee, as**

applicable, without expense to the non-registered holder, that the non-registered holder or his/her nominee be appointed as proxyholder and have the right to attend and vote at the Meeting. Non-registered holders should carefully follow the instructions set out in the VIF including those regarding when and where the VIF is to be delivered.

REVOCAION OF PROXY

If you are a registered shareholder who has returned a proxy, you may revoke your proxy at any time before it is exercised. In addition to revocation in any other manner permitted by law, a registered shareholder who has given a proxy may revoke it by either:

- (a) signing a proxy bearing a later date; or
- (b) signing a written notice of revocation in the same manner as the form of proxy is required to be signed as set out in the notes to the proxy.

The later proxy or the notice of revocation must be delivered to the office of the Company's registrar and transfer agent or to the Company's head office at any time up to and including the last business day before the scheduled time of the Meeting or any adjournment, or to the Chairman of the Meeting on the day of the Meeting or any adjournment.

If you are a non-registered shareholder who wishes to revoke a VIF or to revoke a waiver of your right to receive Meeting materials and to give voting instructions, you must give written instructions to your Nominee at least seven days before the Meeting.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

None of the directors or executive officers of the Company, nor any person who has held such a position since the beginning of the last completed financial year of the Company, nor any proposed nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the adoption of the Company's stock option plan, approval of which will be sought at the Meeting. Directors and executive officers of the Company may participate in the Company's stock option plan, and accordingly have an interest in its approval. See "Particulars of Matters to be Acted Upon".

In order to approve a motion proposed at the Meeting, a majority of at least 50% plus one vote of the votes cast will be required to pass an ordinary resolution, and a majority of at least 2/3 of the votes cast will be required to pass a special resolution.

Wheaton has the option to convert all or a portion of the principal amount into shares of the Company at \$0.8125 per share. If Wheaton converted the entire amount, to would hold 30,769,231 shares representing 37.63% of the class.

ELECTION OF DIRECTORS

Directors of the Company are elected at each annual general meeting and hold office until the next annual general meeting or until that person sooner ceases to be a director. The shareholders will be asked to pass an ordinary resolution to set the number of directors of the Company at five (5) for the next year, subject to any increases permitted by the Company's Articles.

Unless you provide other instructions, the enclosed proxy will be voted for the nominees listed below. Management does not expect that any of the nominees will be unable to serve as a director. Oversight and Description of Director and Named Executive Officer Compensation

Director compensation

The Board determines director compensation from time to time. Prior to January 31, 2018, the Company did not compensate directors for their services as such. Effective January 1, 2018, non-executive directors are compensated in their capacities as such on an annual basis as follows:

- I. \$16,000 as a base fee
- II. \$10,000 for the Chairman of the Board
- III. \$5,000 for the Chairman of the Audit Committee
- IV. \$3,600 for each Chairman of the Compensation Committee and the Corporate Governance Committee
- V. \$2,000 for each member (excluding the Chairman) of the Audit Committee, the Compensation Committee and the Corporate Governance Committee.

The Company may, from time to time, grant to its directors incentive stock options to purchase common shares in the capital of the Company pursuant to the terms of the Stock Option Plan and in accordance with the policies of the TSX Venture Exchange (the "Exchange").

Named Executive Officer Compensation

The Board is responsible for ensuring that the Company's compensation strategy is aligned with performance and shareholder interests. To assist with this, the board has elected a Compensation Committee which, at the date of this Circular, is comprised of Stephen Quin and Brad Mercer, both of whom are independent within the meaning of section 1.4 of National Instrument 52-110 *Audit Committees*.

The main objectives the Company hopes to achieve through its compensation policies are to attract and retain executives critical to the Company's success, who will be key in helping the Company achieve its corporate objectives and increase shareholder value. The Compensation Committee has responsibility for determining compensation for the directors and Named Executive Officers. To determine compensation payable, the Compensation Committee considers compensation paid for directors and CEO's of companies of similar size and stage of development in the mineral exploration and development industry and determines an appropriate compensation reflecting the need to provide incentive and compensation for the time and effort expended by the directors and senior management while taking into account the

financial and other resources of the Company. The Compensation Committee also has the responsibility to administer the compensation policies related to the executive management of the Company, including option-based awards.

Due to the small size of the Company and the current level of the Company’s activity, the Board of Directors is able to closely monitor and consider any risks which may be associated with the Company’s compensation policies and practices. Risks, if any, may be identified and mitigated through regular Board meetings during which financial and other information of the Company are reviewed. No risks have been identified arising from the Company’s compensation policies and practices that are reasonably likely to have a material adverse effect on the Company

Executive compensation is comprised of short-term fee compensation and long-term ownership through the Company’s Stock Option Plan. This structure ensures that a significant portion of executive compensation (stock options) is both long-term and “at risk” and, accordingly, is directly linked to the achievement of business results and the creation of long term shareholder value.

During the financial year ended April 30, 2018, Mr. Sorace’s compensation as CEO consisted of \$120,033. During the financial year ended April 30, 2018, Mr. Cooper’s compensation as CFO consisted of \$93,083.

SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS

The Company has an incentive stock option plan under which stock options are granted. Stock options have been determined by the Company’s directors and are only granted in compliance with applicable laws and regulatory policy. The policies of the Exchange limit the granting of stock options to employees, officers, directors and consultants of the Company and provide limits on the length of term, number and exercise price of such options. The Exchange also requires annual approval of stock option plans by shareholders.

The following table sets out equity compensation plan information as at the end of the financial year ended April 30, 2018.

Plan Category	Number of securities to be issued upon exercise of outstanding options⁽¹⁾	Weighted-average exercise price of outstanding options	Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in column (a))⁽²⁾

Audit Committee Oversight

Since the commencement of the Company's most recently completed financial year, there has not been a recommendation of the Audit Committee to nominate or compensate an external auditor which was not adopted by the Board.

Reliance on Exemptions in NI 52-110 regarding De Minimis Non-audit Services or on a Regulatory Order Generally

Since the commencement of the Company's most recently completed financial year, the Company has not relied on the exemption in section 2.4 (*De Minimis Non-audit Services*) of NI 52-110 (which exempts all non-audit services provided by the Company's auditor from the requirement to be pre-approved by the Audit Committee if such services are less than 5% of the auditor's annual fees charged to the Company, are not recognized as non-audit services at the time of the engagement of the auditor to perform them and are subsequently approved by the Audit Committee prior to the completion of that year's audit), the exemption in subsection 6.1.1(4) (*Circumstance Affecting the Business or Operations of the Venture Issuer*), the exemption in subsection 6.1.1(5) (*Events Outside of Control of Member*), the exemption in subsection 6.1.1(6) (*Death, Incapacity or Resignation*) or an exemption from NI 52-110, in whole or in part, granted by a securities regulator under Part 8 (*Exemptions*) of NI 52-110.

Pre-Approval Policies and Procedures

The Audit Committee has not adopted specific policies and procedures for the engagement of non-audit services.

Reliance on Exemptions in NI 52-110 regarding Audit Committee Composition & Reporting Obligations

Since the Company is a venture issuer, it relies on the exemption contained in section 6.1 of NI 52-110 from the requirements of Part 3 Composition of the Audit Committee (as described in ‘Composition of the Audit Committee’ above) and Part 5 Reporting Obligations of NI 52-110 (which requires certain prescribed disclosure about the Audit Committee in this Information Circular).

CORPORATE GOVERNANCE

National Instrument 58-101 *Disclosure of Corporate Governance Practices* of the Canadian securities administrators requires the Company to annually disclose certain information regarding its corporate governance practices. Under this heading, the Company is providing the disclosure required by Form 58-101F2.

Board of Directors

The Board has responsibility for the stewardship of the Company including responsibility for strategic planning, identification of the principal risks of the Company’s business and implementation of appropriate systems to manage these risks, succession planning (including appointing, training and monitoring senior management), communications with investors and the financial community and the integrity of the Company’s internal control and management information systems.

The Board sets long term goals and objectives for the Company and formulates the plans and strategies necessary to achieve those objectives and to supervise senior management in their implementation. The Board delegates the responsibility for managing the day-to-day affairs of the Company to senior management but retains a supervisory role in respect of, and ultimate responsibility for, all matters relating to the Company and its business. The Board is responsible for protecting shareholders’ interests and ensuring that the incentives of the shareholders and of management are aligned.

As part of its ongoing review of business operations, the Board reviews, as frequently as required, the principal risks inherent in the Company’s business including financial risks, through periodic reports from management of such risks, and assesses the systems established to manage those risks. Directly and through the Audit Committee, the Board also assesses the integrity of internal control over financial reporting and management information systems.

In addition to those matters that must, by law, be approved by the Board, the Board is required to approve any material dispositions, acquisitions and investments outside the ordinary course of business, long-term strategy, and organizational development plans. Management of the Company is authorized to act without board approval, on all ordinary course matters relating to the Company’s business.

The Board also monitors the Company’s compliance with timely disclosure obligations and reviews material disclosure documents prior to distribution. The Board is responsible for selecting the President and appointing senior management and for monitoring their performance.

The Board considers that the following directors are “independent” in that they are independent and free from any interest and any business or other relationship which could or could reasonably be perceived to, materially interfere with the director’s ability to act with the best

interests of the Company, other than interests and relationships arising from shareholding: Stephen Quin, Brad Mercer and Jay Sujir. The Board considers that Vince Sorace, the CEO of the Company, is not independent because he is a member of management.

Directorships

Certain of the directors are presently a director of one or more other reporting issuers (or equivalent) in a Canadian or foreign jurisdiction, as follows:

Name of Director	Other reporting issuer (or equivalent in a foreign jurisdiction)
William Bennett	Eagle Plains Resources Ltd.
	Ascot Resources Ltd.
	Taiga Gold Corp.
	Surge Exploration Inc.
Stephen Quin	Midas Gold Corp.
	Chalice Gold Mines Ltd.
Jay Sujir	Libero Copper Corporation
	Red Eagle Mining Corp.
	Uracan Resources Ltd.
	Carlin Gold Corporation
	Roughrider Exploration Ltd.
Vince Sorace	Black Sea Copper & Gold Corp.
	Nevaro Capital Corporation
	Bethpage Capital Corp.

Orientation and Continuing Education

The Board is responsible for providing orientation for all new recruits to the Board. Each new director brings a different skill set and professional background, and with this information, the Board is able to determine what orientation to the nature and operations of Kutcho Copper's business will be necessary and relevant to each new director. Kutcho Copper provides continuing education for its directors as the need arises and encourages open discussion at all meetings, which format encourages learning by the directors.

Ethical Business Conduct

The Board relies on the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law to ensure the Board operates independently of management and in the best interests of the Company. The Board has found that these, combined with the conflict of interest provisions of the Business Corporations Act (BC), as well as the relevant securities regulatory instruments, to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or executive officer has a material interest.

Nomination of Directors

The Board has elected a Corporate Governance Committee to assist with respect to the appointment of directors. The current members of the committee are William Bennett and Jay Sujir. While there are not specific criteria for board membership, the Company attempts to attract and maintain directors with knowledge relevant to its business, which assists in guiding the management of the Company.

The Board considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual meeting of shareholders. The Board takes into account the number required to carry out the Board's duties effectively and to maintain a diversity of views and experience.

Compensation

The Board is responsible for determining all forms of compensation, including long-term incentive in the form of stock options, to be granted to the CEO and the directors, and for reviewing the CEO's recommendations respecting compensation of the other officers of the Company, to ensure such arrangements reflect the responsibilities and risks associated with each position. To assist with this, the board has elected a Compensation Committee which, at the date of this Circular, is comprised of two independent directors, Stephen Quin and Brad Mercer. When determining the compensation of its officers, the Board considers: (i) recruiting and retaining executives critical to the success of the Company and the enhancement of shareholder value; (ii) providing fair and competitive compensation; (iii) balancing the interests of management and the shareholders; (iv) rewarding performance, both on an individual basis and with respect to operations in general; and (v) permitted compensation under Exchange rules

Other Board Committees

The Board has no other committees other than the Audit Committee, the Corporate Governance and Compensation Committees.

Assessments

The Board annually reviews its own performance and effectiveness as well as reviews the Audit Committee Charter and recommends revisions as necessary. Neither Kutcho Copper nor the Board has adopted formal procedures to regularly assess the Board, the committees or the individual directors as to their effectiveness and contribution. Effectiveness is subjectively measured by comparing actual corporate results with stated objectives. The contributions of individual directors are informally monitored by the other Board members, bearing in mind the business strengths of the individual and the purpose of originally nominating the individual to the Board.

The Board monitors the adequacy of information given to directors, communication between the Board and management and the strategic direction and processes of the Board and its committees.

The Board believes its corporate governance practices are appropriate and effective for Kutcho Copper, given its size and operations. Kutcho Copper's corporate governance practice allows the Company to operate efficiently, with checks and balances that control and monitor management and corporate functions without excessive administrative burden.

MANAGEMENT CONTRACTS

The management functions of the Company are not to any substantial degree performed by any person other than the executive officers and directors of the Company.

PARTICULARS OF MATTERS TO BE ACTED ON

Shareholder Approval of Stock Option Plan

The only equity compensation plan which the Company currently has in place is the 2017 stock option plan (the "**2017 Plan**") which was approved by the directors of the Company. The 2017 Plan was established to provide incentive to employees, officers, directors and consultants who provide services to the Company. Exchange policy requires that all companies listed on the Exchange adopt a stock option plan if a company wishes to grant stock options and that all stock option plans that reserve a maximum of 10% of the issued and outstanding share capital of the Company at the time of grant (called a "rolling plan" under Exchange policies), must be approved and ratified by shareholders on an annual basis in accordance with Policy 4.4 of the Exchange ("**Policy 4.4**"). The Company's 2017 Plan was approved at the previous annual general meeting of shareholders held on November 29, 2017.

Management seeks shareholder approval for renewal of the 2017 Plan, as the Company's 2018 stock option plan (the "**2018 Plan**") in accordance with and subject to the rules and policies of the Exchange. The intention of management in proposing the 2018 Plan is to increase the proprietary interest of employees, officers, directors and consultants in the Company and thereby aid the Company in attracting, retaining and encouraging the continued involvement of such persons with the Company. It is proposed that under the 2018 Plan, the total number of common shares that may be reserved for issuance will be 10% of the issued and outstanding common shares of the Company at the time of grant, less any common shares reserved for issuance pursuant to the grant of stock options under any other share compensation arrangements. The 2018 Plan complies with the current policies of the Exchange, and all capitalized terms below that are not defined in this Information Circular, have the meanings given to them in Policy 4.4. The 2018 Plan is subject to approval by the Exchange.

Terms of the 2018 Plan

A full copy of the 2018 Plan will be available at the Meeting for review by shareholders. Shareholders may also obtain copies of the 2018 Plan from the Company prior to the meeting on written request. The following is a summary of the material terms of 2018 Plan:

1. The options are non-assignable and non-transferable (except that the Optionee's heirs or administrators can exercise any portion of the outstanding option, up to one year from the Optionee's death).
2. The number of shares subject to each option is determined by the Board of Directors provided that the 2018 Plan, together with all other previously established or proposed share compensation arrangements may not, during any 12 month period, result in:
 - (a) the number of options granted to any one Person exceeding 5% of the issued shares of the Company; or
 - (b) the number of options granted to any one Consultant exceeding 2% of the issued shares of the Company; or
 - (c) the number of options granted to all Persons retained to provide Investor Relations Activities of a number shares exceeding 2% of the issued shares of the Company.
3. The exercise price of an option may not be set at less than Discounted Market Price.
4. The options may be exercisable for a period of up to 10 years, (subject to extension where the expiry date falls within a "blackout period").
5. Disinterested shareholder approval will be obtained for any reduction in the exercise price if the Optionee is an Insider of the Company at the time of the proposed amendment.
6. For stock options granted to Employees, Consultants or Management Company Employees, the Company and the Optionee are responsible for ensuring and confirming that the Optionee is a bona fide Employee, Consultant or Management Company Employee, as the case may be.
7. Any options granted to any Optionee who is a Director, Employee, Consultant or Management Company Employee must expire within a reasonable period following the date the Optionee ceases to be in that role (in general, the Exchange considers anything not exceeding 12 months to be a reasonable period for these purposes).

Shareholders will be asked to pass the following, ordinary resolution, approving the Company's 2018 Plan:

"IT IS RESOLVED, AS AN ORDINARY RESOLUTION, THAT:

1. The Company adopt a 2018 Stock Option Plan (the "Plan"), including the reserving for issuance under the Plan at any time of a maximum of 10% of the issued common shares of the Company;

2. The Board of Directors be authorized on behalf of the Company to make any further amendments to the Plan as may be required by regulatory authorities, without further approval of the shareholders of the Company, in order to ensure adoption of the Plan;
3. The Company file the Plan with the TSX Venture Exchange for acceptance; and
4. Any one director or officer of the Company is authorized and directed to do all such acts and things and to execute and deliver all such deeds, documents, instruments and assurances as in his opinion may be necessary or desirable to give effect to this resolution.”

Recommendation of the Company’s Directors

The directors have reviewed and considered all facts respecting the approval of the 2018 Plan. The Company’s directors unanimously recommend that the shareholders vote in favour of ratifying and approving the 2018 Plan.

An ordinary resolution requires the approval of a simple majority (50% + one vote) of the votes cast at the Meeting, in person or by proxy. **It is the intention of the persons named in the accompanying Proxy, if not expressly directed to the contrary in such Proxy, to vote such proxies FOR the ordinary resolution authorizing the approval of the 2018 Plan.**

Approval and Authorization of Shareholder Rights Plan

At the Meeting, Shareholders will be asked to pass an ordinary resolution to approve and authorize a shareholder rights plan (the “**Shareholder Rights Plan**”).

The objectives of the Shareholder Rights Plan are to ensure, to the extent possible, that all shareholders are treated equally and fairly in connection with any take-over bid or similar proposal to acquire common shares of the Company.

The following is a summary of the Shareholder Rights Plan and is qualified in its entirety by the full text of the Shareholder Rights Plan between the Company and Computershare Investor Services Inc., a copy of which is attached as Schedule “A” hereto. The Company’s Board of Directors approved the Shareholder Rights Plan on October 11, 2018 and it was adopted on October 18, 2018 when it was entered into between the Company and Computershare Investor Services Inc. The Shareholder Rights Plan is subject to approval of the Exchange.

Take-over bids may be structured in such a way as to be coercive or discriminatory in effect, or may be initiated at a time when it will be difficult for the Board to prepare an adequate response. Such offers may result in shareholders receiving unequal or unfair treatment, or not realizing the full or maximum value of their investment in the Company.

The Shareholder Rights Plan discourages the making of any such offers by creating the potential of significant dilution to any offeror who does so. This potential is created through the issuance to all shareholders of contingent rights to acquire additional common shares of the Company at a significant discount to then prevailing market prices, which could, in certain circumstances, become exercisable by all shareholders other than an offeror and its associates, affiliates and joint actors.

An offeror can avoid that potential by making an offer that either: (i) qualifies as a “Permitted Bid” under the Shareholder Rights Plan, and therefore meets certain specified conditions (including a minimum deposit period of 105 days) which aim to ensure that all shareholders are treated fairly and equally; or (ii) does not qualify as a “Permitted Bid” but is negotiated with the

Company and has been exempted by the Board from the application of the Shareholder Rights Plan in light of the opportunity to bargain for agreed terms and conditions to the offer that are believed to be in the best interests of shareholders.

Notwithstanding that in 2016 there were amendments to Canadian securities legislation which include, among other things, an increased minimum deposit period from 35 days to 105 days, the Board believes that the adoption of the Shareholder Rights Plan remains in the best interests of the Company and will ensure that all shareholders have an equal opportunity to participate in a change of control transaction.

The Shareholder Rights Plan is not being proposed in response to, or in anticipation of, any pending, threatened or proposed acquisition or takeover bid that is known to the management of the Company. The adoption of the Shareholder Rights Plan is also not intended as a means to prevent a take-over of the Company, to secure the continuance of management or the directors in their respective offices, or to deter fair offers for the common shares of the Company.

Terms of the Shareholder Rights Plan

The following summary of the Shareholder Rights Plan is qualified in its entirety by reference to the complete text of the Shareholder Rights Plan entered into between the Company and Computershare Investor Services Inc., as rights agent or such other rights agent as the directors of the Company may determine, in connection with the Shareholder Rights Plan (if approved by the shareholders), the full text of which is attached as Schedule “A” hereto. The Shareholder Rights Plan shall govern in the event of any conflict between the provisions thereof and this summary.

Term

If approved at the Meeting, the Shareholder Rights Plan will remain in effect until the third anniversary of the Meeting (subject to earlier termination in accordance with its terms).

Issue of Rights

One right (a “Right”) will be issued by the Company in respect of each common share that is outstanding at the close of business on the date of the Shareholder Rights Plan Agreement (the “Record Time”). One Right will also be issued for each additional common share (or other voting share of the Company) issued after the Record Time and prior to the earlier of the Separation Time (as defined below) and the time at which the Rights expire and terminate.

The issuance of the Rights is initially not dilutive. However, if a “Flip-in Event” (defined below) occurs, the Rights separate from the underlying shares in connection with which they were issued and become exercisable or are exercised. Holders of Rights who do not exercise their Rights after a Flip-in Event may suffer substantial dilution.

The issuance of the Rights will also not change the manner in which Shareholders currently trade their common shares, and is not intended to interfere with the Company’s ability to undertake equity offerings in the future.

Separation Time / Ability to Exercise Rights

The Rights are not exercisable, and are not separable from the shares in connection with which they were issued, until the “Separation Time”, being the close of business on the date that is 10 business days after the public announcement of a person becoming an Acquiring Person (as defined below), the commencement of or first public announcement or disclosure of the intent of

any person to make a take-over bid that does not qualify as a Permitted Bid (as defined below), the date on which a Permitted Bid ceases to qualify as a Permitted Bid, or such later time as the Board may determine.

Acquiring Person

A person will be considered to be an Acquiring Person for the purposes of the Shareholder Rights Plan if they, together with their associates, affiliates and joint actors, acquire beneficial ownership (within the meaning of the Shareholder Rights Plan) of over 20% or more of the outstanding voting shares of the Company other than pursuant to a Permitted Bid or another type of transaction that is excepted under the Shareholder Rights Plan.

Consequences of a Flip-in Event

A “Flip-in Event” refers to any transaction or event pursuant to which a person becomes an Acquiring Person. Following the occurrence of a Flip-in Event as to which the Board has not waived the application of the Shareholder Rights Plan, each Right held by:

- a) an Acquiring Person (or any of its associates, affiliates or joint actors) on or after the earlier of the Separation Time or the first date of public announcement that an Acquiring Person has become such, shall become null and void; and
- b) any other shareholder shall entitle the holder thereof to purchase additional common shares from the Company at a substantial discount to the prevailing market price at the time.

Permitted Bid Requirements

A “Permitted Bid” is a take-over bid that is made by means of a take-over bid circular in compliance with NI 62-104 and is made to all holders of voting shares of record, provided, however, that a take-over bid that qualified as a Permitted Bid shall cease to be a Permitted Bid at any time and as soon as such time as when such take-over bid ceases to meet any or all of the provisions of the definition.

A Permitted Bid need not be approved by the Board and may be taken directly to holders of common shares. The acquisition of common shares made pursuant to a Permitted Bid does not give rise to a Flip-in-Event.

Certificates and Transferability

Before the Separation Time, the Rights will be evidenced by a legend imprinted on share certificates issued after the effective date of the Shareholder Rights Plan. Although Rights will also be attached to common shares outstanding on the effective date, share certificates issued before the effective date will not (and need not) bear the legend. Shareholders will not be required to return their certificates to be entitled to the benefits of the Shareholder Rights Plan.

From and after the Separation Time, Rights will be evidenced by separate certificates.

Before the Separation Time, Rights will trade together with, and will not be transferable separately from, the shares in connection with which they were issued. From and after the Separation Time, Rights will be transferable separately from the shares.

Redemption and Waiver

Until the occurrence of a Flip-in Event, the Board, subject to receipt of shareholder approval, may at any time elect to redeem all but not less than all of the then outstanding Rights at a redemption price of \$0.00001 per Right (the “Redemption Price”), subject to adjustment as provided in the Shareholder Rights Plan. The Board will be deemed to have elected to redeem all of the outstanding Rights at the Redemption Price where a person acquires shares pursuant to a Permitted Bid. Where a take-over bid that is not a Permitted Bid expires, is withdrawn or otherwise terminated after the Separation Time has occurred and prior to the occurrence of a Flip-in Event, the Board may elect to redeem all of the outstanding Rights at the Redemption Price. If the Board elects or is deemed to have elected to redeem the Rights, the right to exercise the Rights will terminate and the only right thereafter of the holders of Rights will be to receive the Redemption Price.

The Board acting in good faith may, prior to a Flip-in Event having occurred and upon prior written notice delivered to the Rights Agent, waive application of the Shareholder Rights Plan to a take-over bid made by means of a take-over bid circular to all holders of record of shares, provided that such waiver would apply to any other Flip-in Event occurring by reason of any take-over bid made pursuant to a take-over bid circular.

The Board may also waive the application of the Shareholder Rights Plan to a Flip-in Event, which the Board has determined occurred through inadvertence, subject to the inadvertent Acquiring Person reducing its holding of shares within 14 days after that the Board's determination or such earlier or later date as the Board may determine.

The Board may also, subject to shareholder approval, waive application of the Shareholder Rights Plan at any time prior to the occurrence of a Flip-in Event that would occur by reason of an acquisition of shares (other than through inadvertence), waive application of the Shareholder Rights Plan. In the event that the Board proposes such a waiver, the Board shall extend the Separation Time to a date subsequent to and not more than 10 business days following the meeting of shareholders called to approve such waiver .

Directors' Duties

The adoption of the Shareholder Rights Plan will not in any way lessen or affect the duty of the Board to act honestly and in good faith with a view to the best interests of the Company. In the event of a take-over bid or any other such proposal, the Board will still have the duty to take such actions and make such recommendations to shareholders as are considered appropriate.

Amendments

The Company may, prior to the Meeting, amend the Shareholder Rights Plan from the form attached as Schedule “A” hereto. The final form of Shareholder Rights Plan will be available to shareholders for review at the Meeting, and the final form of Shareholder Rights Plan, if approved by the shareholders, will be filed on SEDAR by the Company.

If the Shareholder Rights Plan is approved at the Meeting, amendments will thereafter be subject to shareholder approval, unless to correct any clerical or typographical error or (subject to confirmation at the next meeting of shareholders) make amendments that are necessary to maintain the Shareholder Rights Plan's validity as a result of changes in applicable legislation, rules or regulations.

After adoption, any amendments will also be subject to any requisite approval of any stock exchange on which the common shares are then trading.

The Board is requesting that Shareholders approve and authorize the Shareholder Rights Plan. Accordingly, at the Meeting, Shareholders will be asked to consider, and if thought fit, to approve the following ordinary resolution (the “Shareholder Rights Plan Resolution”):

“IT IS RESOLVED AS AN ORDINARY RESOLUTION THAT:

1. The adoption by the Company of a shareholder rights plan (the “Shareholder Rights Plan”), in the form attached as Schedule “A” to the management information circular of the Company for its November 15, 2018 shareholder meeting, is confirmed, ratified and approved and the Company is authorized to enter into the Shareholder Rights Plan with Computershare Investor Services Inc.
2. The board of directors of the Company is authorized on behalf of the Company to make any amendments to the Shareholder Rights Plan as may be required by regulatory authorities, without further approval of the shareholders of the Company, in order to ensure adoption of the Shareholder Rights Plan.
3. Any one director or officer of the Company is authorized and directed to do all such acts and things and to execute and deliver, under the corporate seal of the Company or otherwise, all such deeds, documents, instruments and assurances as in his or her opinion may be necessary or desirable to give effect to this resolution, including making any amendments to the Shareholder Rights Plan as may be required by regulatory authorities, without further approval of the shareholders of the Company.”

The form of the Shareholder Rights Plan Resolution set forth above is subject to such amendments as management may propose at the Meeting, but which do not materially affect the substance of the Shareholder Rights Plan Resolution.

Recommendation of the Company’s Directors

The directors have reviewed and considered all facts respecting the approval of the Shareholder Rights Plan. The Company’s directors unanimously recommend that the shareholders vote in favour of ratifying and approving the Shareholder Rights Plan.

An ordinary resolution requires the approval of a simple majority (50% + one vote) of the votes cast at the Meeting, in person or by proxy. **It is the intention of the persons named in the accompanying Proxy, if not expressly directed to the contrary in such Proxy, to vote such proxies FOR the ordinary resolution authorizing the approval of the Shareholder Rights Plan.**

ARTICLE 2 - THE RIGHTS

2.1 Issue of Rights: Legend on Common Share Certificates

- (a) One Right shall be issued on the Effective Date in respect of each Common Share outstanding at the Record Time and one Right shall be issued in respect of each Common Share issued after the Record Time and prior to the earlier of the Separation Time and the Expiration Time.
- (b) Certificates representing Common Shares which are issued prior to the earlier of the Separation Time and the Expiration Time shall evidence one Right for each Common Share represented thereby. Certificates representing Common Shares that are issued after the Record Time but prior to the earlier of the Separation Time and the Expiration Time shall have impressed on, printed on, written on or otherwise affixed to them a legend substantially in the following form:

"Until the Separation Time (defined in the Agreement below), this certificate also evidences the holder's rights described in a Shareholder Rights Plan Agreement dated as of October 18, 2018 (the "Agreement") between Kutcho Copper Corp. (the "Company") and Computershare Investor Services Inc., as amended from time to time, the terms of which are incorporated herein by reference and a copy of which is on file at the principal office of the Company and available for viewing at www.sedar.com. Under certain circumstances set out in the Agreement, the Rights may be amended or redeemed, may expire, may become void (if, in certain circumstances, they are "Beneficially Owned" by an "Acquiring Person", as such terms are defined in the Agreement, or a transferee thereof) or may be evidenced by separate certificates and no longer evidenced by this certificate. The Company will mail or arrange for the mailing of a copy of the Agreement to the holder of this certificate without charge as soon as practicable after the receipt of a written request therefor."

Certificates representing Common Shares that are issued and outstanding at the Record Time shall evidence one Right for each Common Share evidenced thereby, notwithstanding the absence of a legend in accordance with this Subsection 2.1(b), until the earlier of the Separation Time and the Expiration Time.

Registered holders of Common Shares who have not received a share certificate and are entitled to do so on the earlier of the Separation Time and Expiration Time shall be entitled to Rights as if such certificates had been issued and such Rights shall for all purposes hereof be evidenced by the corresponding entries on the Company's securities register for Common Shares.

2.2 Initial Exercise Price; Exercise of Rights; Detachment of Rights

- (a) Subject to Subsection 3.1(a) and adjustment as herein set forth, each Right will entitle the holder thereof, from and after the Separation Time and prior to the Expiration Time, to purchase one Common Share for the Exercise Price (and the Exercise Price and number of Common Shares are subject to adjustment as set forth below). Notwithstanding any other provision of this Agreement, any Rights held by the Company or any of its Subsidiaries shall be void.

- (b) Until the Separation Time:
 - (i) the Rights shall not be exercisable and no Right may be exercised; and
 - (ii) for administration purposes, each Right will be evidenced by the certificate for the associated Common Share registered in the name of the holder thereof (which certificate shall also be deemed to represent a Rights Certificate) and will be transferable only together with, and will be transferred by a transfer of, such associated Common Share.
- (c) From and after the Separation Time and prior to the Expiration Time:
 - (i) the Rights shall be exercisable; and
 - (ii) the registration and transfer of Rights shall be separate from and independent of Common Shares.

Promptly following the Separation Time, the Company will prepare and the Rights Agent will mail to each holder of record of Common Shares as of the Separation Time (other than an Acquiring Person and, in respect of any Rights Beneficially Owned by such Acquiring Person which are not held of record by such Acquiring Person, the holder of record of such Rights (a "**Nominee**")), at such holder's address as shown by the records of the Company (the Company hereby agreeing to furnish copies of such records to the Rights Agent for this purpose):

- (A) a Rights Certificate appropriately completed, representing the number of Rights held by such holder at the Separation Time and having such marks of identification or designation and such legends, summaries or endorsements printed thereon as the Company may deem appropriate and as are not inconsistent with the provisions of this Agreement, or as may be required to comply with any law, rule or regulation or with any rule or regulation of any self-regulatory organization, stock exchange or quotation system on which the Rights may from time to time be listed or traded, or to conform to standard usage; and
- (B) a disclosure statement prepared by the Company describing the Rights,

provided that a Nominee shall be sent the materials provided for in paragraphs (A) and B) in respect of all Common Shares held of record by it which are not Beneficially Owned by an Acquiring Person. In order for the Company to determine whether any Person is holding Common Shares which are Beneficially Owned by another Person, the Company may require such first mentioned Person to furnish it with such information and documentation as the Company considers advisable.

- (d) Rights may be exercised, in whole or in part, on any Business Day after the Separation Time and prior to the Expiration Time by submitting to the Rights Agent:
 - (i) the Rights Certificate evidencing such Rights;
 - (ii) an election to exercise such Rights (an "**Election to Exercise**") substantially in the form attached to the Rights Certificate appropriately completed and duly executed by the holder or his executors or administrators or other personal

representatives or his or their legal attorney duly appointed by an instrument in writing in form and executed in a manner satisfactory to the Rights Agent; and

- (iii) payment by certified cheque, banker's draft or money order payable to the order of the Company, of a sum equal to the Exercise Price multiplied by the number of Rights being exercised and a sum sufficient to cover any transfer tax or charge which may be payable in respect of any transfer involved in the transfer or delivery of Rights Certificates or the issuance or delivery of certificates for Common Shares in a name other than that of the holder of the Rights being exercised.
- (e) Upon receipt of a Rights Certificate, together with a completed Election to Exercise executed in accordance with Subsection 2.2(d)(ii), which does not indicate that such Right is null and void as provided by Subsection 3.1(b), and payment as set forth in Subsection 2.2(d)(iii), the Rights Agent (unless otherwise instructed by the Company in the event that the Company is of the opinion that the Rights cannot be exercised in accordance with this Agreement) will thereupon promptly:
 - (i) requisition from the Company's transfer agent certificates representing the number of such Common Shares to be purchased (the Company hereby irrevocably authorizing its transfer agent to comply with all such requisitions);
 - (ii) when appropriate, requisition from the Company the amount of cash to be paid in lieu of issuing fractional Common Shares in accordance with Subsection 5.5(b);
 - (iii) after receipt of the certificates referred to in Clause 2.2(e)(i), deliver the same to or upon the order of the registered holder of such Rights Certificates, registered in such name or names as may be designated by such holder;
 - (iv) when appropriate, after receipt, deliver the cash referred to in Subsection 2.2(e)(ii) to or to the order of the registered holder of such Rights Certificate; and
 - (v) tender to the Company all payments received on exercise of Rights.
- (f) In case the holder of any Rights shall exercise less than all the Rights evidenced by such holder's Rights Certificate, a new Rights Certificate evidencing the Rights remaining unexercised (subject to the provisions of Subsection 5.5(a)) will be issued by the Rights Agent to such holder or to such holder's duly authorized assigns.
- (g) The Company covenants and agrees that it will:
 - (i) take all such action as may be necessary and within its power to ensure that all Common Shares delivered upon exercise of Rights shall, at the time of delivery of the certificates for such Common Shares (subject to payment of the Exercise Price), be duly and validly authorized, executed, issued and delivered as fully paid and non-assessable;
 - (ii) take all such action as may be necessary and within its power to comply with the requirements of the Business Corporations Act, the Securities Act, the securities laws or comparable legislation of each of the provinces of Canada and any other

applicable law, rule or regulation, in connection with the issuance and delivery of the Rights Certificates and the issuance of any Common Shares upon exercise of Rights;

- (iii) use reasonable efforts to cause all Common Shares issued upon exercise of Rights to be listed on the principal stock exchanges on which such Common Shares were traded immediately prior to the Stock Acquisition Date;
- (iv) pay when due and payable, if applicable, any and all federal, provincial and municipal transfer taxes and charges (not including any income or capital taxes of the holder or exercising holder or any liability of the Company to withhold tax) which may be payable in respect of the original issuance or delivery of the Rights Certificates, or certificates for Common Shares to be issued upon exercise of any Rights, provided that the Company shall not be required to pay any transfer tax or charge which may be payable in respect of any transfer involved in the transfer or delivery of Rights Certificates or the issuance or delivery of certificates for Common Shares in a name other than that of the holder of the Rights being transferred or exercised; and
- (v) after the Separation Time, except as permitted by Section 5.1, not take (or permit any Subsidiary to take) any action if at the time such action is taken it is reasonably foreseeable that such action will diminish substantially or otherwise eliminate the benefits intended to be afforded by the Rights.

2.3 Adjustments to Exercise Price; Number of Rights

The Exercise Price, the number and kind of securities subject to purchase upon exercise of each Right and the number of Rights outstanding are subject to adjustment from time to time as provided in this Section 2.3 or Article 3.

- (a) In the event the Company shall at any time after the date of this Agreement:
 - (i) declare or pay a dividend on Common Shares payable in Common Shares (or other securities exchangeable for or convertible into or giving a right to acquire Common Shares or other securities of the Company) other than pursuant to any optional stock dividend program;
 - (ii) subdivide or change the then outstanding Common Shares into a greater number of Common Shares;
 - (iii) consolidate or change the then outstanding Common Shares into a smaller number of Common Shares; or
 - (iv) issue any Common Shares (or other securities exchangeable for or convertible into or giving a right to acquire Common Shares or other securities of the Company) in respect of, in lieu of or in exchange for existing Common Shares except as otherwise provided in this Section 2.3,

the Exercise Price and the number of Rights outstanding, or, if the payment or effective date therefor shall occur after the Separation Time, the securities purchasable upon exercise of Rights shall be adjusted as of the payment or effective date in the manner set

forth below. If an event occurs which would require an adjustment under both this Section 2.3 and Section 3.1(a), the adjustment provided for in this Section 2.3 shall be in addition to, and shall be made prior to, any adjustment required under Section 3.1(a).

If the Exercise Price and number of Rights outstanding are to be adjusted:

- (x) the Exercise Price in effect after such adjustment will be equal to the Exercise Price in effect immediately prior to such adjustment divided by the number of Common Shares (or other capital stock) that a holder of one Common Share immediately prior to such dividend, subdivision, change, consolidation or issuance would hold immediately thereafter as a result thereof (for the purpose of this Agreement, "**Expansion Factor**" shall mean the number of Common Shares (or other capital stock) that a holder of one Common Share immediately prior to such dividend, subdivision, change, consolidation or issuance would hold immediately thereafter as a result thereof divided by one Common Share); and
- (y) each Right held prior to such adjustment will become that number of Rights equal to the Expansion Factor,

and the adjusted number of Rights will be deemed to be distributed among the Common Shares with respect to which the original Rights were associated (if they remain outstanding) and the shares issued in respect of such dividend, subdivision, change, consolidation or issuance, so that each such Common Share (or other capital stock) will have exactly one Right associated with it.

For greater certainty, if the securities purchasable upon exercise of Rights are to be adjusted, the securities purchasable upon exercise of each Right immediately after such adjustment will be the securities that a holder of the securities purchasable upon exercise of one Right immediately prior to such dividend, subdivision, change, consolidation or issuance would hold immediately thereafter, including as a result of such dividend, subdivision, change, consolidation or issuance.

If, after the Record Time and prior to the Expiration Time, the Company shall issue any shares of capital stock other than Common Shares in a transaction of a type described in Subsection 2.3(a)(i) or (iv), shares of such capital stock shall be treated herein as nearly equivalent to Common Shares as may be practicable and appropriate under the circumstances and the Company and the Rights Agent agree to amend this Agreement in order to effect such treatment.

In the event the Company shall at any time after the Record Time and prior to the Separation Time issue any Common Shares otherwise than in a transaction referred to in this Subsection 2.3(a), each such Common Share so issued shall automatically have one new Right associated with it, which Right shall be evidenced by the certificate representing such associated Common Share.

- (b) In the event the Company shall at any time after the Record Time and prior to the Separation Time fix a record date for the issuance of rights, options or warrants to all holders of Common Shares entitling them (for a period expiring within 45 calendar days after such record date) to subscribe for or purchase Common Shares (or securities convertible into or exchangeable for or carrying a right to purchase Common Shares) at a price per Common Share (or, if a security convertible into or exchangeable for or

carrying a right to purchase or subscribe for Common Shares, having a conversion, exchange or exercise price, including the price required to be paid to purchase such convertible or exchangeable security or right per share) less than the Market Price per Common Share on such record date, the Exercise Price to be in effect after such record date shall be determined by multiplying the Exercise Price in effect immediately prior to such record date by a fraction:

- (i) the numerator of which shall be the number of Common Shares outstanding on such record date, plus the number of Common Shares that the aggregate offering price of the total number of Common Shares so to be offered (and/or the aggregate initial conversion, exchange or exercise price of the convertible or exchangeable securities or rights so to be offered, including the price required to be paid to purchase such convertible or exchangeable securities or rights) would purchase at such Market Price per Common Share; and
- (ii) the denominator of which shall be the number of Common Shares outstanding on such record date, plus the number of additional Common Shares to be offered for subscription or purchase (or into which the convertible or exchangeable securities or rights so to be offered are initially convertible, exchangeable or exercisable).

In case such subscription price may be paid by delivery of consideration, part or all of which may be in a form other than cash, the value of such consideration shall be as determined in good faith by the Board of Directors, whose determination shall be described in a statement filed with the Rights Agent and shall be binding on the Rights Agent and the holders of Rights. Such adjustment shall be made successively whenever such a record date is fixed, and in the event that such rights, options or warrants are not so issued, or if issued, are not exercised prior to the expiration thereof, the Exercise Price shall be readjusted to the Exercise Price which would then be in effect if such record date had not been fixed, or to the Exercise Price which would be in effect based upon the number of Common Shares (or securities convertible into, or exchangeable or exercisable for Common Shares) actually issued upon the exercise of such rights, options or warrants, as the case may be.

For purposes of this Agreement, the granting of the right to purchase Common Shares (whether from treasury or otherwise) pursuant to any Dividend Reinvestment Plan or any employee benefit, stock option or similar plans shall be deemed not to constitute an issue of rights, options or warrants by the Company; provided, however, that, in all such cases, the right to purchase Common Shares is at a price per share of not less than 90% of the current Market Price per share (determined as provided in such plans) of the Common Shares.

- (c) In the event the Company shall at any time after the Record Time and prior to the Separation Time fix a record date for the making of a distribution to all holders of Common Shares (including any such distribution made in connection with a merger or amalgamation or statutory arrangement) of evidences of indebtedness, cash (other than an annual, quarterly monthly or routine cash dividend or a dividend referred to in Subsection 2.3(a)(i), but including any dividend payable in other securities of the Company other than Common Shares), assets or rights, options or warrants (excluding those referred to in Subsection 2.3(b)), the Exercise Price to be in effect after such record date shall be determined by multiplying the Exercise Price in effect immediately prior to such record date by a fraction:

- (i) the numerator of which shall be the Market Price per Common Share on such record date, less the fair market value (as determined in good faith by the Board of Directors, whose determination shall be described in a statement filed with the Rights Agent and shall be binding on the Rights Agent and the holders of Rights), on a per share basis, of the portion of the cash, assets, evidences of indebtedness, rights, options or warrants so to be distributed; and
- (ii) the denominator of which shall be such Market Price per Common Share.

Such adjustments shall be made successively whenever such a record date is fixed, and in the event that such a distribution is not so made, the Exercise Price shall be adjusted to be the Exercise Price which would have been in effect if such record date had not been fixed.

- (d) Notwithstanding anything herein to the contrary, no adjustment in the Exercise Price shall be required unless such adjustment would require an increase or decrease of at least 1% in the Exercise Price; provided, however, that any adjustments which by reason of this Subsection 2.3(d) are not required to be made shall be carried forward and taken into account in any subsequent adjustment. All calculations under Section 2.3 shall be made to the nearest cent or to the nearest ten-thousandth of a share. Notwithstanding the first sentence of this Subsection 2.3(d), any adjustment required by Section 2.3 shall be made no later than the earlier of:
 - (i) three years from the date of the transaction which gives rise to such adjustment; or
 - (ii) the Expiration Time.
- (e) In the event the Company shall at any time after the Record Time and prior to the Separation Time issue any shares of capital stock (other than Common Shares), of rights, options or warrants to subscribe for or purchase any such capital stock, in a transaction referred to in Subsection 2.3(a)(i) or (iv) above, if the Board of Directors acting in good faith determines that the adjustments contemplated by Subsection 2.3(a), (b) and (c) above in connection with such transaction will not appropriately protect the interests of the holders of Rights, the Board of Directors may determine what other adjustments to the Exercise Price, number of Rights and/or securities purchasable upon exercise of Rights would be appropriate and, notwithstanding Subsections 2.3(a), (b) and (c) above, such adjustments rather than the adjustments contemplated by Subsections 2.3(a), (b) and (c) above, shall be made. Subject to the prior consent of the holders of the Voting Shares or Rights obtained as set forth in Subsection 5.4(b) or (c), the Company and the Rights Agent shall have authority to amend this Agreement as appropriate to provide for such adjustments.
- (f) Each Right originally issued by the Company subsequent to any adjustment made to the Exercise Price hereunder shall evidence the right to purchase, at the adjusted Exercise Price, the number of Common Shares purchasable from time to time hereunder upon exercise of a Right immediately prior to such issue, all subject to further adjustment as provided herein.
- (g) Irrespective of any adjustment or change in the Exercise Price or the number of Common Shares issuable upon the exercise of the Rights, the Rights Certificates theretofore and

thereafter issued may continue to express the Exercise Price per Common Share and the number of Common Shares which were expressed in the initial Rights Certificates issued hereunder.

- (h) In any case in which this Section 2.3 shall require that an adjustment in the Exercise Price be made effective as of a record date for a specified event, the Company may elect to defer until the occurrence of such event the issuance to the holder of any Right exercised after such record date the number of Common Shares and other securities of the Company, if any, issuable upon such exercise over and above the number of Common Shares and other securities of the Company, if any, issuable upon such exercise on the basis of the Exercise Price in effect prior to such adjustment; provided, however, that the Company shall deliver to such holder an appropriate instrument evidencing such holder's right to receive such additional shares (fractional or otherwise) or other securities upon the occurrence of the event requiring such adjustment.
- (i) Notwithstanding anything contained in this Section 2.3 to the contrary, the Company shall be entitled to make such reductions in the Exercise Price, in addition to those adjustments expressly required by this Section 2.3, as and to the extent that in their good faith judgment the Board of Directors shall determine to be advisable, in order that any:
 - (i) consolidation or subdivision of Common Shares;
 - (ii) issuance (wholly or in part for cash) of Common Shares or securities that by their terms are convertible into or exchangeable for Common Shares;
 - (iii) stock dividends; or
 - (iv) issuance of rights, options or warrants referred to in this Section 2.3, hereafter made by the Company to holders of its Common Shares, shall not be taxable to such shareholders.
- (j) Whenever an adjustment to the Exercise Price or a change in the securities purchaseable upon exercise of the Rights is made pursuant to this Section 2.3, the Company shall promptly and in any event, where such change or adjustment occurs prior to the Separation Time, not later than the Separation Time:
 - (i) file with the Rights Agent and with each transfer agent for the Common Shares a certificate specifying the particulars of such adjustment or change; and
 - (ii) cause notice of the particulars of such adjustment or change to be given to the holders of the Rights.

Failure to file such certificate or to cause such notice to be given as aforesaid, or any defect therein, shall not affect the validity of such adjustment or change.

2.4 Date on Which Exercise Is Effective

Each Person in whose name any certificate for Common Shares or other securities, if applicable, is issued upon the exercise of Rights shall for all purposes be deemed to have become the holder of record of the Common Shares or other securities, if applicable, represented thereby, and such certificate shall be dated the date upon which the Rights Certificate evidencing such Rights was duly surrendered in

accordance with Subsection 2.2(d) (together with a duly completed Election to Exercise) and payment of the Exercise Price for such Rights (and any applicable transfer taxes and other governmental charges payable by the exercising holder hereunder) was made; provided, however, that if the date of such surrender and payment is a date upon which the Common Share transfer books of the Company are closed, such Person shall be deemed to have become the record holder of such shares on, and such certificate shall be dated, the next succeeding Business Day on which the Common Share transfer books of the Company are open.

2.5 Execution, Authentication, Delivery and Dating of Rights Certificates

- (a) The Rights Certificates shall be executed on behalf of the Company by its Chairman of the Board, Chief Executive Officer, President or Chief Financial Officer. The signature of any of these officers on the Rights Certificates may be manual or facsimile. Rights Certificates bearing the manual or facsimile signatures of individuals who were at any time the proper officers of the Company shall bind the Company, notwithstanding that such individuals or any of them have ceased to hold such offices either before or after the countersignature and delivery of such Rights Certificates.
- (b) Promptly after the Company learns of the Separation Time, the Company will notify the Rights Agent of such Separation Time and will deliver Rights Certificates executed by the Company to the Rights Agent for countersignature, and the Rights Agent shall manually countersign (in a manner satisfactory to the Company) and send such Rights Certificates to the holders of the Rights pursuant to Subsection 2.2(c) hereof. No Rights Certificate shall be valid for any purpose until countersigned by the Rights Agent as aforesaid.
- (c) Each Rights Certificate shall be dated the date of countersignature thereof.

2.6 Registration, Transfer and Exchange

- (a) The Company will cause to be kept a register (the "**Rights Register**") in which, subject to such reasonable regulations as it may prescribe, the Company will provide for the registration and transfer of Rights. The Rights Agent is hereby appointed registrar for the Rights (the "**Rights Registrar**") for the purpose of maintaining the Rights Register for the Company and registering Rights and transfers of Rights as herein provided and the Rights Agent hereby accepts such appointment. In the event that the Rights Agent shall cease to be the Rights Registrar, the Rights Agent will have the right to examine the Rights Register at all reasonable times.

After the Separation Time and prior to the Expiration Time, upon surrender for registration of transfer or exchange of any Rights Certificate, and subject to the provisions of Subsection 2.6(c), the Company will execute, and the Rights Agent will manually countersign and deliver, in the name of the holder or the designated transferee or transferees, as required pursuant to the holder's instructions, one or more new Rights Certificates evidencing the same aggregate number of Rights as did the Rights Certificates so surrendered.

- (b) All Rights issued upon any registration of transfer or exchange of Rights Certificates shall be the valid obligations of the Company, and such Rights shall be entitled to the same benefits under this Agreement as the Rights surrendered upon such registration of transfer or exchange.

- (c) Every Rights Certificate surrendered for registration of transfer or exchange shall be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Company or the Rights Agent, as the case may be, duly executed by the holder thereof or such holder's attorney duly authorized in writing. As a condition to the issuance of any new Rights Certificate under this Section 2.6, the Company may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the reasonable fees and expenses of the Rights Agent) connected therewith.

2.7 Mutilated, Destroyed, Lost and Stolen Rights Certificates

- (a) If any mutilated Rights Certificate is surrendered to the Rights Agent prior to the Expiration Time, the Company shall execute and the Rights Agent shall countersign and deliver in exchange therefor a new Rights Certificate evidencing the same number of Rights as did the Rights Certificate so surrendered.
- (b) If there shall be delivered to the Company and the Rights Agent prior to the Expiration Time:
 - (i) evidence to their reasonable satisfaction of the destruction, loss or theft of any Rights Certificate; and
 - (ii) such security and indemnity as may be reasonably required by them to save each of them and any of their agents harmless;

then, in the absence of notice to the Company or the Rights Agent that such Rights Certificate has been acquired by a bona fide purchaser, the Company shall execute and upon the Company's request the Rights Agent shall countersign and deliver, in lieu of any such destroyed, lost or stolen Rights Certificate, a new Rights Certificate evidencing the same number of Rights as did the destroyed, lost or stolen Rights Certificate.

- (c) As a condition to the issuance of any new Rights Certificate under this Section 2.7, the Company may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the reasonable fees and expenses of the Rights Agent) connected therewith.
- (d) Every new Rights Certificate issued pursuant to this Section 2.7 in lieu of any destroyed, lost or stolen Rights Certificate shall evidence the contractual obligation of the Company, whether or not the destroyed, lost or stolen Rights Certificate shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Agreement equally and proportionately with any and all other Rights duly issued hereunder.

2.8 Persons Deemed Owners of Rights

The Company, the Rights Agent and any agent of the Company or the Rights Agent may deem and treat the Person in whose name a Rights Certificate (or, prior to the Separation Time, the associated Common Share certificate) is registered as the absolute owner thereof and of the Rights evidenced thereby for all purposes whatsoever and the Company and the Rights Agent shall not be affected by any notice or knowledge to the contrary except as required by statute or by order of a court of competent jurisdiction. As used in this Agreement, unless the context otherwise requires, the term "**holder**" of any

Rights shall mean the registered holder of such Rights (or, prior to the Separation Time, of the associated Common Shares).

2.9 Delivery and Cancellation of Certificates

All Rights Certificates surrendered upon exercise or for redemption, registration of transfer or exchange shall, if surrendered to any Person other than the Rights Agent, be delivered to the Rights Agent and, in any case, shall be promptly cancelled by the Rights Agent. The Company may at any time deliver to the Rights Agent for cancellation any Rights Certificates previously countersigned and delivered hereunder which the Company may have acquired in any manner whatsoever, and all Rights Certificates so delivered shall be promptly cancelled by the Rights Agent. No Rights Certificate shall be countersigned in lieu of or in exchange for any Rights Certificates cancelled as provided in this Section 2.9, except as expressly permitted by this Agreement. The Rights Agent shall, subject to applicable laws, and its ordinary business practices, destroy all cancelled Rights Certificates and deliver a certificate of destruction to the Company.

2.10 Agreement of Rights Holders

Every holder of Rights, by accepting the same, consents and agrees with the Company and the Rights Agent and with every other holder of Rights:

- (a) to be bound by and subject to the provisions of this Agreement, as amended from time to time in accordance with the terms hereof, in respect of all Rights held;
- (b) that prior to the Separation Time, each Right will be transferable only together with, and will be transferred by a transfer of, the associated Common Share certificate representing such Right;
- (c) that after the Separation Time, the Rights Certificates will be transferable only on the Rights Register as provided herein;
- (d) that prior to due presentment of a Rights Certificate (or, prior to the Separation Time, the associated Common Share certificate) for registration of transfer, the Company, the Rights Agent and any agent of the Company or the Rights Agent may deem and treat the Person in whose name the Rights Certificate (or, prior to the Separation Time, the associated Common Share certificate) is registered as the absolute owner thereof and of the Rights evidenced thereby (notwithstanding any notations of ownership or writing on such Rights Certificate or the associated Common Share certificate made by anyone other than the Company or the Rights Agent) for all purposes whatsoever, and neither the Company nor the Rights Agent shall be affected by any notice to the contrary;
- (e) that such holder of Rights has waived his right to receive any fractional Rights or any fractional shares or other securities upon exercise of a Right (except as provided herein);
- (f) notwithstanding anything in this Agreement to the contrary, neither the Company nor the Rights Agent shall have any liability to any holder of a Right or any other Person as a result of its inability to perform any of its obligations under this Agreement by reason of any preliminary or permanent injunction or other order, decree or ruling issued by a court of competent jurisdiction or by a governmental, regulatory or administrative agency or commission, or any statute, rule, regulation or executive order promulgated or enacted by

any governmental authority, prohibiting or otherwise restraining performance of such obligation; and

- (g) that, subject to the provisions of Section 5.4, without the approval of any holder of Rights or Voting Shares and upon the sole authority of the Board of Directors, this Agreement may be supplemented or amended from time to time to cure any ambiguity or to correct or supplement any provision contained herein which may be inconsistent with the intent of this Agreement or is otherwise defective, as provided herein.

2.11 Holder of Rights Not Deemed a Shareholder

No holder, as such, of any Rights or Rights Certificate shall be entitled to vote, receive dividends or be deemed for any purpose whatsoever the holder of any Common Share or any other share or security of the Company which may at any time be issuable on the exercise of such Rights, nor shall anything contained herein or in any Rights Certificate be construed or deemed or confer upon the holder of any Right or Rights Certificate, as such, any right, title, benefit or privilege of a holder of Common Shares or any other shares or securities of the Company or any right to vote at any meeting of shareholders of the Company whether for the election of directors or otherwise or upon any matter submitted to holders of Common Shares or any other shares of the Company at any meeting thereof, or to give or withhold consent to any action of the Company, or to receive notice of any meeting or other action affecting any holder of Common Shares or any other shares of the Company except as expressly provided herein, or to receive dividends, distributions or subscription rights, or otherwise, until the Right or Rights evidenced by Rights Certificates shall have been duly exercised in accordance with the terms and provisions hereof.

ARTICLE 3 - ADJUSTMENTS TO THE RIGHTS IN THE EVENT OF A FLIP-IN EVENT

3.1 Flip-in Event

- (a) Subject to Subsection 3.1(b) and Section 5.1, if prior to the Expiration Time a Flip-in Event occurs, each Right shall constitute, effective at the close of business on the 10th Trading Day after the Stock Acquisition Date (or such longer period as may be required to satisfy the requirements of the Securities Act and any comparable legislation of any other applicable jurisdiction), the right to purchase from the Company, upon exercise thereof in accordance with the terms hereof, that number of Common Shares having an aggregate Market Price on the date of consummation or occurrence of such Flip-in Event equal to twice the Exercise Price for an amount in cash equal to the Exercise Price (such right to be appropriately adjusted in a manner analogous to the applicable adjustment provided for in Section 2.3 in the event that after such consummation or occurrence, an event of a type analogous to any of the events described in Section 2.3 shall have occurred).
- (b) Notwithstanding anything in this Agreement to the contrary, upon the occurrence of any Flip-in Event, any Rights that are or were Beneficially Owned on or after the earlier of the Separation Time or the Stock Acquisition Date by:
 - (i) an Acquiring Person (or any Affiliate or Associate of an Acquiring Person or any Person acting jointly or in concert with an Acquiring Person or any Affiliate or Associate of an Acquiring Person); or
 - (ii) a transferee of or other successor in title or ownership to Rights (a "**transferee**"), directly or indirectly, from an Acquiring Person (or any Affiliate or Associate of

an Acquiring Person or any Person acting jointly or in concert with an Acquiring Person or any Affiliate or Associate of an Acquiring Person), where such transferee becomes a transferee concurrently with or subsequent to the Acquiring Person becoming an Acquiring Person in a transfer that the Board of Directors, acting in good faith, has determined is part of a plan, arrangement or scheme of an Acquiring Person (or any Affiliate or Associate of an Acquiring Person or any Person acting jointly or in concert with an Acquiring Person or any Affiliate or Associate of an Acquiring Person), that has the purpose or effect of avoiding Subsection 3.1(b)(i),

shall become null and void without any further action, and any holder of such Rights (including transferees) shall thereafter have no right to exercise or transfer such Rights under any provision of this Agreement and further shall thereafter not have any other rights whatsoever with respect to such Rights, whether under any provision of this Agreement or otherwise. The holder of any Rights represented by a Rights Certificate which is submitted to the Rights Agent upon exercise or for registration of transfer or exchange on which the holder fails to certify upon the transfer or exchange in the place set forth in the Rights Certificate establishing that such holder is not a Person described in either Subsection 3.1(b)(i) or (ii) above shall be deemed to be Beneficially Owned by an Acquiring Person for the purposes of this Subsection 3.1(b) and such rights shall be null and void.

- (c) From and after the Separation Time, the Company shall do all such acts and things as shall be necessary and within its power to ensure compliance with the provisions of this Section 3.1, including without limitation, all such acts and things as may be required to satisfy the requirements of the Business Corporations Act, the Securities Act and the securities laws or comparable legislation of each of the provinces of Canada and of the United States and each of the States thereof and any other applicable law, rule or regulation in respect of the issue of Common Shares upon the exercise of Rights in accordance with this Agreement.
- (d) Any Rights Certificate that represents Rights Beneficially Owned by a Person described in either Subsection 3.1(b)(i) or (ii) or transferred to any nominee of any such Person, and any Rights Certificate issued upon transfer, exchange, replacement or adjustment of any other Rights Certificate referred to in this sentence, shall contain the following legend:

"The Rights represented by this Rights Certificate were issued to a Person who was an Acquiring Person or an Affiliate or an Associate of an Acquiring Person (as such terms are defined in the Agreement) or a Person who was acting jointly or in concert with an Acquiring Person or an Affiliate or Associate of an Acquiring Person. This Rights Certificate and the Rights represented hereby are void or shall become void in the circumstances specified in Subsection 3.1(b) of the Agreement."

provided, however, that the Rights Agent shall not be under any responsibility to ascertain the existence of facts that would require the imposition of such legend but shall impose such legend only if instructed to do so by the Company in writing or if a holder fails to certify upon transfer or exchange in the space provided on the Rights Certificate that such holder is not a Person described in such legend. Notwithstanding the foregoing, the issuance of a Rights Certificate which does not bear the legend referred to in this

Subsection 3.1(d) shall not invalidate or have any effect on the provisions of Subsection 3.1(b).

ARTICLE 4 - THE RIGHTS AGENT

4.1 General

- (a) The Company hereby appoints the Rights Agent to act as agent for the Company and the holders of the Rights in accordance with the terms and conditions hereof, and the Rights Agent hereby accepts such appointment. The Company may from time to time appoint such co-Rights Agents ("**Co-Rights Agents**") as it may deem necessary or desirable, subject to the approval of the Rights Agent. In the event the Company appoints one or more Co-Rights Agents, the respective duties of the Rights Agent and Co-Rights Agents shall be as the Company may determine, with the approval of the Rights Agent and the Co-Rights Agents. The Company agrees to pay all reasonable fees and expenses of the Rights Agent in respect of the performance of its duties under this Agreement. The Company also agrees to indemnify the Rights Agent, its officers, directors, and employees for, and to hold them harmless against, any loss, liability, or expense, incurred without gross negligence, bad faith or wilful misconduct on the part of the Rights Agent, for anything done or omitted by the Rights Agent in connection with the acceptance and administration of this Agreement, including the costs and expenses of defending against any claim of liability, which right to indemnification will survive the termination of this Agreement or the resignation or removal of the Rights Agent.
- (b) The Rights Agent shall be protected and shall incur no liability for or in respect of any action taken, suffered or omitted by it in connection with its administration of this Agreement in reliance upon any certificate for Common Shares, Rights Certificate, certificate for other securities of the Company, instrument of assignment or transfer, power of attorney, endorsement, affidavit, letter, notice, direction, consent, certificate, opinion, statement, or other paper or document believed by it in good faith to be genuine and to be signed, executed and, where necessary, verified or acknowledged, by the proper Person or Persons.
- (c) The Company shall inform the Rights Agent in a reasonably timely manner of events which may materially affect the administration of this Agreement by the Rights Agent and, at any time upon request, shall provide to the Rights Agent an incumbency certificate certifying the then current officers of the Company; provided that failure to inform the Rights Agent of any such events, or any defect therein shall not affect the validity of any action taken hereunder in relation to such events.
- (d) Notwithstanding any other provision of this Agreement, and whether such losses or damages are foreseeable or unforeseeable, the Rights Agent shall not be liable under any circumstances whatsoever for any (i) breach by any other party of securities law or other rule of any securities regulatory authority, (ii) lost profits or (iii) special, indirect, incidental, consequential, exemplary, aggravated or punitive losses or damages.
- (e) Notwithstanding any other provision of this Agreement, any liability of the Rights Agent shall be limited, in the aggregate, to the amount of fees paid by the Company to the Rights Agent under this Agreement in the 12 months immediately prior to the Rights Agent receiving the first notice of the claim.

4.2 Merger, Amalgamation or Consolidation or Change of Name of Rights Agent

- (a) Any corporation into which the Rights Agent may be merged or amalgamated or with which it may be consolidated, or any corporation resulting from any merger, amalgamation, statutory arrangement or consolidation to which the Rights Agent is a party, or any corporation succeeding to the shareholder or stockholder services business of the Rights Agent, will be the successor to the Rights Agent under this Agreement without the execution or filing of any paper or any further act on the part of any of the parties hereto, provided that such corporation would be eligible for appointment as a successor Rights Agent under the provisions of Section 4.4 hereof. If, at the time such successor Rights Agent succeeds to the agency created by this Agreement, any of the Rights Certificates have been countersigned but not delivered, the successor Rights Agent may adopt the countersignature of the predecessor Rights Agent and deliver such Rights Certificates so countersigned; and if, at that time, any of the Rights have not been countersigned, any successor Rights Agent may countersign such Rights Certificates in the name of the predecessor Rights Agent or in the name of the successor Rights Agent; and in all such cases such Rights Certificates will have the full force provided in the Rights Certificates and in this Agreement.
- (b) If, at any time, the name of the Rights Agent is changed and at such time any of the Rights Certificates have been countersigned but not delivered, the Rights Agent may adopt the countersignature under its prior name and deliver Rights Certificates so countersigned; and if, at that time, any of the Rights Certificates have not been countersigned, the Rights Agent may countersign such Rights Certificates either in its prior name or in its changed name; and in all such cases such Rights Certificates shall have the full force provided in the Rights Certificates and in this Agreement.

4.3 Duties of Rights Agent

The Rights Agent undertakes the duties and obligations imposed by this Agreement upon the following terms and conditions, all of which the Company and the holders of Rights and Rights Certificates, by their acceptance thereof, shall be bound:

- (a) the Rights Agent, at the expense of the Company, may consult with and retain legal counsel (who may be legal counsel for the Company) and such other experts as it reasonably considers necessary to perform its duties hereunder, and the opinion of such counsel or other expert will be full and complete authorization and protection to the Rights Agent as to any action taken or omitted by it in good faith and in accordance with such opinion;
- (b) whenever in the performance of its duties under this Agreement, the Rights Agent deems it necessary or desirable that any fact or matter be proved or established by the Company prior to taking or suffering any action hereunder, such fact or matter (unless other evidence in respect thereof is specifically prescribed herein) is deemed to be conclusively proved and established by a certificate signed by a Person believed by the Rights Agent to be the Chairman of the Board, President, Chief Executive Officer, Chief Financial Officer, any Vice-President or Corporate Secretary of the Company and delivered to the Rights Agent; and such certificate will be full authorization to the Rights Agent for any

action taken or suffered in good faith by it under the provisions of this Agreement in reliance upon such certificate;

- (c) notwithstanding anything to the contrary, the Rights Agent will be liable hereunder for its own gross negligence, bad faith or wilful misconduct;
- (d) the Rights Agent will not be liable for or by reason of any of the statements of fact or recitals contained in this Agreement or in the certificates for Common Shares or the Rights Certificates (except its countersignature thereof) or be required to verify the same, but all such statements and recitals are and will be deemed to have been made by the Company only;
- (e) the Rights Agent will not have any responsibility in respect of the validity of this Agreement or the execution and delivery hereof (except the due authorization, execution and delivery hereof by the Rights Agent) or in respect of the validity or execution of any certificate for a Common Share or Rights Certificate (except its countersignature thereof); nor will it be responsible for any breach by the Company of any covenant or condition contained in this Agreement or in any Rights Certificate; nor will it be responsible for any change in the exerciseability of the Rights (including the Rights becoming void pursuant to Subsection 3.1(b) hereof) or any adjustment required under the provisions of Section 2.3 hereof or responsible for the manner, method or amount of any such adjustment or the ascertaining of the existence of facts that would require any such adjustment (except with respect to the exercise of Rights after receipt of the certificate contemplated by Section 2.3 describing any such adjustment); nor is it deemed by any act hereunder to make any representation or warranty as to the authorization of any Common Shares to be issued pursuant to this Agreement or any Rights or as to whether any Common Shares will, when issued, be duly and validly authorized, executed, issued and delivered and fully paid and non-assessable;
- (f) each of the Company and Rights Agent agrees that it will perform, execute, acknowledge and deliver or cause to be performed, executed, acknowledged and delivered all such further and other acts, instruments and assurances as may reasonably be required by the Rights Agent for the carrying out or performing by the Rights Agent of the provisions of this Agreement;
- (g) the Rights Agent is hereby authorized and directed to accept instructions in writing with respect to the performance of its duties hereunder from any individual believed by the Rights Agent to be the Chairman of the Board, President, Chief Executive Officer or, Chief Financial Officer of the Company, and to apply to such individuals for advice or instructions in connection with its duties, and it shall not be liable for any action taken or suffered by it in good faith in accordance with instructions of any such individual;
- (h) the Rights Agent and any shareholder or stockholder, director, officer or employee of the Rights Agent may buy, sell or deal in Common Shares, Rights or other securities of the Company or become pecuniarily interested in any transaction in which the Company may be interested, or contract with or lend money to the Company or otherwise act as fully and freely as though it were not Rights Agent under this Agreement and nothing herein shall preclude the Rights Agent from acting in any other capacity for the Company or for any other legal entity; and

- (i) the Rights Agent may execute and exercise any of the rights or powers hereby vested in it or perform any duty hereunder either itself or by or through its attorneys or agents, and the Rights Agent will not be answerable or accountable for any act, default, neglect or misconduct of any such attorneys or agents or for any loss to the Company resulting from any such act, default, neglect or misconduct, provided reasonable care was exercised in the selection and continued employment thereof.

4.4 Change of Rights Agent

The Rights Agent may resign and be discharged from its duties under this Agreement upon 60 days' notice (or such lesser notice as is acceptable to the Company) in writing mailed to the Company and to each transfer agent of Common Shares by registered or certified mail. The Company may remove the Rights Agent upon 30 days' notice in writing, mailed to the Rights Agent and to each transfer agent of the Common Shares by registered or certified mail. If the Rights Agent should resign or be removed or otherwise become incapable of acting, the Company will appoint a successor to the Rights Agent. If the Company fails to make such appointment within a period of 30 days after removal or 60 days after it has been notified in writing of the resignation or incapacity by the resigning or incapacitated Rights Agent, then by prior written notice to the Company the resigning Rights Agent or the holder of any Rights (which holder shall, with such notice, submit such holder's Rights Certificate, if any, for inspection by the Company), may apply to a court of competent jurisdiction for the appointment of a new Rights Agent, at the Company's expense. Any successor Rights Agent, whether appointed by the Company or by such a court, shall be a corporation incorporated under the laws of Canada or a province thereof. After appointment, the successor Rights Agent will be vested with the same powers, rights, duties and responsibilities as if it had been originally named as Rights Agent without further act or deed; but the predecessor Rights Agent, upon receipt of all outstanding fees and expenses owing to it, shall deliver and transfer to the successor Rights Agent any property at the time held by it hereunder, and execute and deliver any further assurance, conveyance, act or deed necessary for the purpose. Not later than the effective date of any such appointment, the Company will file notice thereof in writing with the predecessor Rights Agent and each transfer agent of the Common Shares and mail a notice thereof in writing to the holders of the Rights in accordance with Section 5.9. Failure to give any notice provided for in this Section 4.4, however, or any defect therein, shall not affect the legality or validity of the resignation or removal of the Rights Agent or the appointment of any successor Rights Agent, as the case may be.

4.5 Compliance with Money Laundering Legislation

The Rights Agent shall retain the right not to act and shall not be liable for refusing to act if, due to a lack of information or for any other reason whatsoever, the Rights Agent reasonably determines that such an act might cause it to be in non-compliance with any applicable anti-money laundering or anti-terrorist legislation, regulation or guideline. Further, should the Rights Agent reasonably determine at any time that its acting under this Agreement has resulted in it being in non-compliance with any applicable anti-money laundering or anti-terrorist legislation, regulation or guideline, then it shall have the right to resign on 10 days' written notice to the Company, provided: (i) that the Rights Agent's written notice shall describe the circumstances of such non-compliance; and (ii) that if such circumstances are rectified to the Rights Agent's satisfaction within such 10-day period, then such resignation shall not be effective.

4.6 Privacy Legislation

The parties acknowledge that federal and/or provincial legislation that addresses the protection of individual's personal information (collectively, "**Privacy Laws**") applies to obligations and activities under this Agreement. Despite any other provision of this Agreement, neither party will take or direct

any action that would contravene, or cause the other to contravene, applicable Privacy Laws. The Company will, prior to transferring or causing to be transferred personal information to the Rights Agent, obtain and retain required consents of the relevant individuals to the collection, use and disclosure of their personal information, or will have determined that such consents either have previously been given upon which the parties can rely or are not required under the Privacy Laws. The Rights Agent will use commercially reasonable efforts to ensure that its services hereunder comply with Privacy Laws.

ARTICLE 5 - MISCELLANEOUS

5.1 Redemption and Waiver

- (a) The Board of Directors may waive the application of Section 3.1 in respect of the occurrence of any Flip-in Event if the Board of Directors has determined within 10 Trading Days following a Stock Acquisition Date that a Person became an Acquiring Person by inadvertence and without any intention to become, or knowledge that it would become, an Acquiring Person under this Agreement and, in the event that such a waiver is granted by the Board of Directors, such Stock Acquisition Date shall be deemed not to have occurred. Any such waiver pursuant to this Subsection 5.1(a) must be on the condition that such Person, within 14 days after the foregoing determination by the Board of Directors or such earlier or later date as the Board of Directors may determine (the "**Disposition Date**"), has reduced its Beneficial Ownership of Voting Shares so that the Person is no longer an Acquiring Person. If the Person remains an Acquiring Person at the close of business on the Disposition Date, the Disposition Date shall be deemed to be the date of occurrence of a further Stock Acquisition Date and Section 3.1 shall apply thereto.
- (b) The Board of Directors acting in good faith may, until the occurrence of a Flip-in Event, upon prior written notice delivered to the Rights Agent, waive the application of Section 3.1 to a Flip-in Event that may occur by reason of a Take-over Bid made by way of take-over bid circular sent to all holders of record of Voting Shares (which for greater certainty shall not include the circumstances described in Subsection 5.1(a)); provided that if the Board of Directors waives the application of Section 3.1 to a particular Flip-in Event pursuant to this Subsection 5.1(b), the Board of Directors shall be deemed to have waived the application of Section 3.1 to any other Flip-in Event occurring by reason of any Take-over Bid which is made by means of a take-over bid circular to all holders of record of Voting Shares prior to the expiry of any Take-over Bid (as the same may be extended from time to time) in respect of which a waiver is, or is deemed to have been, granted under this Subsection 5.1(b).
- (c) Subject to the prior approval of the holders of the Voting Shares or the Rights as set forth in Subsection 5.4(b) or (c), as the case may be, the Board of Directors of the Company acting in good faith may at any time prior to the provisions of Section 3.1 becoming applicable as a result of the occurrence of a Flip-in Event, elect to redeem all but not less than all of the outstanding Rights at a redemption price of \$0.000001 per Right appropriately adjusted in a manner analogous to the applicable adjustment provided for in Section 2.3 if an event of the type analogous to any of the events described in Section 2.3 shall have occurred (such redemption price being herein referred to as the "**Redemption Price**").
- (d) Where, pursuant to a Permitted Bid, a Competing Permitted Bid, an Exempt Acquisition or an acquisition for which a waiver has been granted under Subsection 5.1(b), a Person

acquires outstanding Voting Shares, other than Voting Shares Beneficially Owned by such Person at the date of the Permitted Bid, the Competing Permitted Bid, the Exempt Acquisition or an acquisition for which a waiver has been granted under Subsection 5.1(b), then the Board of Directors of the Company shall, notwithstanding Subsection 5.1(c), immediately upon the consummation of such acquisition without further formality and without any approval under Subsection 5.4(b) or (c) be deemed to have elected to redeem the Rights at the Redemption Price.

- (e) Where a Take-over Bid that is not a Permitted Bid or a Competing Permitted Bid expires, is withdrawn or otherwise terminates after the Separation Time has occurred and prior to the occurrence of a Flip-in Event, the Board of Directors may elect to redeem all the outstanding Rights at the Redemption Price. Notwithstanding the foregoing, upon the Rights being redeemed pursuant to this Subsection 5.1(e), all the provisions of this Agreement shall continue to apply as if the Separation Time had not occurred and Rights Certificates representing the number of Rights held by each holder of record of Common Shares as of the Separation Time had not been mailed to each such holder and for all purposes of this Agreement the Separation Time shall be deemed not to have occurred and the Rights shall remain attached to outstanding Common Shares subject to and in accordance with this Agreement.
- (f) If the Board of Directors is deemed under Subsection 5.1(d) to have elected, or elects under either of Subsection 5.1(c) or (e), to redeem the Rights, the right to exercise the Rights will thereupon, without further action and without notice, terminate and the only right thereafter of the holders of Rights so redeemed shall be to receive the Redemption Price.
- (g) Within 10 days after the Board of Directors is deemed under Subsection 5.1(d) to have elected, or elects under Subsection 5.1(c) or (e), to redeem the Rights, the Company shall give notice of redemption to the holders of the then outstanding Rights by publication of a notice in any newspaper distributed nationally in Canada or by mailing such notice to each such holder at his last address as it appears upon the registry books of the Rights Agent or, prior to the Separation Time, on the registry books of the transfer agent for the Voting Shares. Any notice which is mailed in the manner provided herein shall be deemed given, whether or not the holder receives the notice. Each notice of redemption will state the method by which the payment of the Redemption Price will be made.
- (h) Upon the Rights being redeemed pursuant to Subsection 5.1(e), the directors shall be deemed to have distributed new Rights to the holders of Voting Shares as of such date and in respect of each additional Voting Share issued thereafter, on the same basis as Rights were first distributed hereunder and thereafter all the provisions of this Agreement shall continue to apply to such redistributed Rights as if the Separation Time referred to in Section 5.1(e) had not occurred and which for all purposes of this Agreement shall be deemed not to have occurred and the new Rights shall be outstanding and attached to the outstanding Common Shares as of and after such date, subject to and in accordance with the provisions of this Agreement.
- (i) The Company shall give prompt written notice to the Rights Agent of any waiver of the application of Section 3.1 made by the Board of Directors under this Section 5.1.
- (j) Until the occurrence of a Flip-in Event as to which the application of Section 3.1 has not been waived pursuant to this section, upon written notice to the Rights Agent, the Board

of Directors, with the prior consent of the holders of Voting Shares given in accordance with Subsection 5.4(b), may determine, if such Flip-in Event would occur by reason of an acquisition of Voting Shares otherwise than pursuant to a Take-over Bid made by means of a take-over bid circular to all holders of Voting Shares and otherwise than in the circumstances set forth in Subsection 5.1(a), to waive the application of Section 3.1 to such Flip-in Event. If the Board of Directors proposes such a waiver, the Board of Directors will extend the Separation Time to a date subsequent to and not more than 10 Business Days following the meeting of shareholders called to approve such waiver.

5.2 Expiration

No Person shall have any rights whatsoever pursuant to this Agreement or in respect of any Right after the Expiration Time, except the Rights Agent as specified in Subsection 4.1 of this Agreement.

5.3 Issuance of New Rights Certificates

Notwithstanding any of the provisions of this Agreement or the Rights to the contrary, the Company may, at its option, issue new Rights Certificates evidencing Rights in such form as may be approved by the Board of Directors to reflect any adjustment or change in the number or kind or class of securities purchasable upon exercise of Rights made in accordance with the provisions of this Agreement.

5.4 Supplements and Amendments

- (a) The Company may at any time, by resolution of the Board of Directors, supplement or make amendments to this Agreement to correct any clerical or typographical error or, subject to Subsection 5.4(e), which supplements or amendments are required to maintain the validity of this Agreement as a result of any change in any applicable legislation, rules or regulations thereunder or policies of securities regulatory authorities or stock exchanges. The Company may, by resolution of the Board of Directors, prior to the date of its shareholders' meeting referred to in Section 5.15, supplement or amend this Agreement without the approval of any holders of Rights or Voting Shares (whether or not such action would adversely affect the interest of the holders of Rights or Voting Shares generally) in order to make any changes which the Board of Directors acting in good faith may deem necessary or desirable. Notwithstanding anything in this Section 5.4 to the contrary, no such supplement or amendment shall be made to the provisions of Article 4 except with the written concurrence of the Rights Agent to such supplement or amendment.
- (b) Subject to Subsection 5.4(a), the Company may, with the prior consent of the holders of Voting Shares obtained as set forth below, at any time before the Separation Time, amend, vary or rescind any of the provisions of this Agreement and the Rights (whether or not such action would materially adversely affect the interests of the holders of Rights generally). Such consent shall be deemed to have been given if provided by the holders of Voting Shares at a Special Meeting, which Special Meeting shall be called and held in compliance with applicable laws and regulatory requirements and the requirements in the articles of the Company. Subject to compliance with any requirements imposed by the foregoing, consent shall be given if the proposed amendment, variation or rescission is approved by the affirmative vote of a majority of the votes cast by Independent Shareholders present or represented in person or by proxy at and entitled to be voted at the Special Meeting.

- (c) The Company may, with the prior consent of the holders of Rights obtained as set forth below, at any time after the Separation Time and before the Expiration Time, amend, vary or rescind any of the provisions of this Agreement and the Rights (whether or not such action would materially adversely affect the interests of the holders of Rights generally), provided that no such amendment, variation or deletion shall be made to the provisions of Article 4 except with the written concurrence of the Rights Agent thereto. Such consent shall be deemed to have been given if provided by the holders of Rights at a Rights Holders' Special Meeting, which Rights Holders' Special Meeting shall be called and held in compliance with applicable laws and regulatory requirements and, to the extent possible, with the requirements in the articles of the Company applicable to meetings of holders of Voting Shares, applied mutatis mutandis. Subject to compliance with any requirements imposed by the foregoing, consent shall be given if the proposed amendment, variation or rescission is approved by the affirmative vote of a majority of the votes cast by holders of Rights (other than holders of Rights whose Rights have become null and void pursuant to Subsection 3.1(b)), represented in person or by proxy at and entitled to be voted at the Rights Holders' Special Meeting.
- (d) Any approval of the holders of Rights shall be deemed to have been given if the action requiring such approval is authorized by the affirmative votes of the holders of Rights present or represented at and entitled to be voted at a meeting of the holders of Rights and representing a majority of the votes cast in respect thereof. For the purposes hereof, each outstanding Right (other than Rights which are void pursuant to the provisions hereof) shall be entitled to one vote, and the procedures for the calling, holding and conduct of the meeting shall be those, as nearly as may be, which are provided in the Company's articles and the Business Corporations Act with respect to meetings of shareholders of the Company.
- (e) Any supplements or amendments made by the Company to this Agreement pursuant to Subsection 5.4(a) which are required to maintain the validity of this Agreement as a result of any change in any applicable legislation, rule or regulation thereunder or policies of any securities regulatory authority or stock exchange shall:
 - (i) if made before the Separation Time, be submitted to the shareholders of the Company at the next meeting of shareholders and the shareholders may, by the majority referred to in Subsection 5.4(b), confirm or reject such amendment;
 - (ii) if made after the Separation Time, be submitted to the holders of Rights at a meeting to be called for on a date not later than immediately following the next meeting of shareholders of the Company called after the Separation Time and the holders of Rights may, by resolution passed by the majority referred to in Subsection 5.4(d), confirm or reject such amendment.

Any such amendment shall be effective from the date of the resolution of the Board of Directors adopting such amendment, until it is confirmed or rejected or until it ceases to be effective (as described in the next sentence) and, where such amendment is confirmed, it continues in effect in the form so confirmed. If such amendment is rejected by the shareholders or the holders of Rights or is not submitted to the shareholders or holders of Rights as required, then such amendment shall cease to be effective from and after the termination of the meeting at which it was rejected or to which it should have been but was not submitted or from and after the date of the meeting of holders of Rights that should have been but was not held, and no subsequent resolution of the Board of

Directors to amend this Agreement to substantially the same effect shall be effective until confirmed by the shareholders or holders of Rights referred to in Subsection 5.4(b) or 5.4(c), as the case may be.

- (f) The Company shall provide the Rights Agent with notice in writing of any amendment, variation or deletion to this Agreement as referred to in this Section 5.4 within 5 Business Days of effecting such amendment, variation or deletion.

5.5 Fractional Rights and Fractional Shares

- (a) The Company shall not be required to issue fractions of Rights or to distribute Rights Certificates which evidence fractional Rights. Any such fractional Right shall be null and void and the Corporation will not have any obligation or liability in respect thereof.
- (b) The Company shall not be required to issue fractions of Common Shares upon exercise of Rights or to distribute certificates which evidence fractional Common Shares. In lieu of issuing fractional Common Shares, the Company shall pay to the registered holders of Rights Certificates, at the time such Rights are exercised as herein provided, an amount in cash equal to the fraction of the Market Price of one Common Share that the fraction of a Common Share that would otherwise be issuable upon the exercise of such Right is of one whole Common Share at the date of such exercise.
- (c) The Rights Agent shall have no obligation to make any payments in lieu of issuing fractions of Rights or Common Shares pursuant to Subsection 5.5(a)(b), unless and until the Company shall have provided to the Rights Agent the amount of cash to be paid in lieu of issuing such fractional Rights or Common Shares, as the case may be.

5.6 Rights of Action

Subject to the terms of this Agreement, all rights of action in respect of this Agreement, other than rights of action vested solely in the Rights Agent, are vested in the respective holders of the Rights. Any holder of Rights, without the consent of the Rights Agent or of the holder of any other Rights, may, on such holder's own behalf and for such holder's own benefit and the benefit of other holders of Rights, enforce, and may institute and maintain any suit, action or proceeding against the Company to enforce such holder's right to exercise such holder's Rights, or Rights to which such holder is entitled, in the manner provided in such holder's Rights Certificate and in this Agreement. Without limiting the foregoing or any remedies available to the holders of Rights, it is specifically acknowledged that the holders of Rights would not have an adequate remedy at law for any breach of this Agreement and will be entitled to specific performance of the obligations under, and injunctive relief against actual or threatened violations of the obligations of any Person subject to, this Agreement.

5.7 Regulatory Approvals

Any obligation of the Company or action or event contemplated by this Agreement shall be subject to the receipt of requisite approval or consent from any governmental or regulatory authority having jurisdiction, and without limiting the generality of the foregoing, while any securities of the Company are listed and admitted for trading thereon, necessary approvals of the TSX Venture Exchange and other exchanges shall be obtained, in relation to the issuance of the Common Shares upon the exercise of Rights under Subsection 2.2(d).

5.8 Non-Canadian Holders

If in the opinion of the Board of Directors (who may rely upon the advice of counsel) any action or event contemplated by this Agreement would require compliance by the Company with the securities laws or comparable legislation of a jurisdiction outside Canada, the Board of Directors acting in good faith shall take such actions as it may consider appropriate to ensure such compliance or avoid the application thereof. In no event shall the Company or the Rights Agent be required to issue or deliver Rights or securities issuable on exercise of Rights to persons who are citizens, residents or nationals of any jurisdiction other than Canada, in which such issue or delivery would be unlawful without registration of the relevant Persons or securities for such purposes.

Any notice which is mailed or sent in the manner herein provided shall be deemed given, whether or not the holder receives the notice.

Each of the Company and the Rights Agent may from time to time change its address for notice by notice to the other given in the manner aforesaid.

5.10 Costs of Enforcement

The Company agrees that if the Company fails to fulfil any of its obligations pursuant to this Agreement, then the Company will reimburse the holder of any Rights for the costs and expenses (including legal fees) reasonably incurred by such holder to enforce his rights pursuant to any Rights or this Agreement.

5.11 Successors

All the covenants and provisions of this Agreement by or for the benefit of the Company or the Rights Agent shall bind and enure to the benefit of their respective successors and assigns hereunder.

5.12 Benefits of this Agreement

Nothing in this Agreement shall be construed to give to any Person other than the Company, the Rights Agent and the holders of the Rights any legal or equitable right, remedy or claim under this Agreement; further, this Agreement shall be for the sole and exclusive benefit of the Company, the Rights Agent and the holders of the Rights.

5.13 Governing Law

This Agreement and each Right issued hereunder shall be deemed to be a contract made under the laws of the Province of British Columbia and for all purposes shall be governed by and construed in accordance with the laws of such Province applicable to contracts to be made and performed entirely within such Province.

5.14 Severability

If any term or provision hereof or the application thereof to any circumstance shall, in any jurisdiction and to any extent, be invalid or unenforceable, such term or provision shall be ineffective only as to such jurisdiction and to the extent of such invalidity or unenforceability in such jurisdiction without invalidating or rendering unenforceable or ineffective the remaining terms and provisions hereof in such jurisdiction or the application of such term or provision in any other jurisdiction or to circumstances other than those as to which it is specifically held invalid or unenforceable.

5.15 Effective Date and Confirmation

This Agreement is effective and in full force and effect in accordance with its terms from and after the date hereof. This Agreement and all outstanding Rights shall terminate and be void and of no further force and effect on and from the Expiration Time. At the first annual or special meeting of holders of Voting Shares following the date hereof, the Company shall request confirmation of this Agreement by

the holders of its Voting Shares. If this Agreement is not confirmed by resolution passed by a majority of the votes cast by holders of Voting Shares of the Company who vote in respect of confirmation of this Agreement at a meeting of the Company's shareholders to be held in 2018, then this Agreement and all outstanding Rights shall terminate and be void and of no further force and effect on and from and after the date of termination of the meeting called to consider the confirmation of this Agreement under this Section 5.15.

5.16 Reconfirmation

This Agreement must be reconfirmed by a resolution passed by a majority of the votes cast by all holders of Voting Shares who vote in respect of such reconfirmation at the annual meeting of the Company held in 2018 and at every third annual meeting of the Company thereafter at which this Agreement has been reconfirmed pursuant to this Section 5.16. If this Agreement is not so reconfirmed or is not presented for reconfirmation at any such annual meeting, this Agreement and all outstanding Rights shall terminate and be void and of no further force and effect on and from the date of termination of any such annual meeting; provided, however, that termination shall not occur if a Flip-in Event has occurred (other than a Flip-in Event which has been waived pursuant to Subsection 5.1(a) or (a) hereof), prior to the date upon which this Agreement would otherwise terminate pursuant to this Section 5.16.

5.17 Determinations and Actions by the Board of Directors

All actions, calculations and determinations (including all omissions with respect to the foregoing) which are done or made by the Board of Directors, in good faith, for the purposes hereof shall not subject the Board of Directors or any director of the Company to any liability to the holders of the Rights.

5.18 Force Majeure

No party shall be liable to the other, or held in breach of this Agreement, if prevented, hindered, or delayed in the performance or observance of any provision contained herein by reason of act of God, riots, terrorism, acts of war, epidemics, governmental action or judicial order, earthquakes, or any other similar causes (including, but not limited to, mechanical, electronic or communication interruptions, disruptions or failures). Performance times under this Agreement shall be extended for a period of time equivalent to the time lost because of any delay that is excusable under this Section.

5.19 Time of the Essence.

Time shall be of the essence in this Agreement.

5.20 Execution in Counterparts

Rights Certificate

This certifies that _____, or registered assigns, is the registered holder of the number of Rights set forth above, each of which entitles the registered holder thereof, subject to the terms, provisions and conditions of the Shareholder Rights Plan Agreement, dated as of October 18, 2018 (the "**Shareholder Rights Agreement**"), between KUTCHO COPPER CORP. (the "**Company**"), a company duly incorporated under the *Business Corporations Act* (British Columbia), and Computershare Investor Services Inc., a company incorporated under the laws of Canada (the "**Rights Agent**") (which term shall include any successor Rights Agent under the Shareholder Rights Agreement), to purchase from the Company at any time after the Separation Time (as such term is defined in the Shareholder Rights Agreement) and prior to the Expiration Time (as such term is defined in the Shareholder Rights Agreement), one fully paid common share of the Company (a "**Common Share**") at the Exercise Price referred to below, upon presentation and surrender of this Rights Certificate with the Form of Election to Exercise (in the form provided hereinafter) duly executed and submitted to the Rights Agent at its principal office in the City of Vancouver, Canada. Until adjustment thereof in certain events as provided in the Shareholder Rights Agreement, the Exercise Price shall be an amount equal to three times the Market Price (as such term is defined in the Rights Plan Agreement) per Common Share determined as at the Separation Time and shall be subject to adjustment in certain events as provided in the Shareholder Rights Agreement.

In certain circumstances described in the Rights Agreement, the number of Common Shares which each Right entitles the registered holder thereof to purchase shall be adjusted as provided in the Shareholder Rights Agreement.

This Rights Certificate is subject to all of the terms and provisions of the Shareholder Rights Agreement, which terms and provisions are incorporated herein by reference and made a part hereof and to which Shareholder Rights Agreement reference is hereby made for a full description of the rights, limitations of rights, obligations, duties and immunities thereunder of the Rights Agent, the Company and the holders of the Rights. Copies of the Shareholder Rights Agreement are on file at the registered office of the Company.

This Rights Certificate, with or without other Rights Certificates, upon surrender at any of the offices of the Rights Agent designated for such purpose, may be exchanged for another Rights Certificate or Rights Certificates of like tenor and date evidencing an aggregate number of Rights equal to the

aggregate number of Rights evidenced by the Rights Certificate or Rights Certificates surrendered. If this Rights Certificate shall be exercised in part, the registered holder shall be entitled to receive, upon surrender hereof, another Rights Certificate or Rights Certificates for the number of whole Rights not exercised.

Subject to the provisions of the Shareholder Rights Agreement, the Rights evidenced by this Certificate may be redeemed by the Company at a redemption price of \$0.00001 per Right, subject to adjustment in certain events, under certain circumstances at its option.

No fractional Common Shares will be issued upon the exercise of any Rights evidenced hereby, but in lieu thereof a cash payment will be made, as provided in the Shareholder Rights Agreement.

No holder of this Rights Certificate, as such, shall be entitled to vote or receive dividends or be deemed for any purpose the holder of Common Shares or of any other securities which may at any time be issuable upon the exercise hereof, nor shall anything contained in the Shareholder Rights Agreement or herein be construed to confer upon the holder hereof, as such, any of the rights of a shareholder of the Company or any right to vote for the election of directors or upon any matter submitted to shareholders at any meeting thereof, or to give or withhold consent to any corporate action, or to receive notice of meetings or other actions affecting shareholders (except as provided in the Shareholder Rights Agreement), or to receive dividends or subscription rights, or otherwise, until the Rights evidenced by this Rights Certificate shall have been exercised as provided in the Shareholder Rights Agreement.

This Rights Certificate shall not be valid or obligatory for any purpose until it shall have been countersigned by the Rights Agent.
