Kutcho Copper Receives \$1.46 Million METC Refund

Vancouver, B.C., February 27, 2020. Kutcho Copper Corp. (TSXV: KC) (OTC: KCCFF) (“Kutcho Copper” or the “Company”) announces that it has received a \$1.46 million BC Mineral Exploration Tax Credit (“METC”) refund. The METC is available for companies undertaking qualifying mineral exploration in British Columbia and the claim was filed by the Company with regards to expenditures incurred on its Kutcho Project in 2018.

“The METC refund gives the Company sufficient funds to meet short term liabilities and provides working capital runway towards its overall corporate initiatives,” stated Vince Sorace, President & CEO of Kutcho Copper Corp. “The company continues to discuss and pursue strategic opportunities to advance the Kutcho project through feasibility, permitting and construction.”

About Kutcho Copper Corp.

Kutcho Copper Corp. is a Canadian resource development company focused on expanding and developing the Kutcho high grade copper-zinc project in northern British Columbia. Committed to social responsibility and the highest environmental standards, the Company intends to advance the Kutcho Project through feasibility and permitting to a positive construction decision.
